Specialty-driven handpieces

Increased power and versatility

Complete OR standardization

EXCEPTIONAL PERFORMANCE FOR YOUR SPECIALTY

## High Speed Drill Systems

# Standardization

## Solutions for the OR

### Simplify the Operating Room

- One line of products for all needs
- Reduce bur and blade inventory
- Streamline staff education

### Maestro Drill

Spine/Neuro/ENT

5400-200

- More power at lower PSI
- Double swivel mechanism
- Elite telescoping burs
- Decreased noise and increased reliability

### Maestro Footpedal

5400-208

- Variable speed control
- Small footprint

### Diffuser

5400-006 (10/pkg)

### Oil Cartridge

5400-005 (10/pkg)

- Separate oil cartridge and diffuser for more consistent lubrication

### Elite Burs

- One length of bur will fit every PD/SD and Elite attachment to simplify and reduce inventory
- Numbered safety marks help surgeon and staff adjust bur exposure

### Quality Stryker Service

- Free loaner program
- Original Stryker parts and labor
- Preventative maintenance programs
- One source, one solution

### Financial Options

- Stabilize operational costs
- Total financing
- Customized solutions

electric

### Saber Drill

ENT/Spine

5400-120

- Elite telescoping burs
- PD/SD Series attachments

### U Drill

Spine/Neuro

5400-100

- Electronic torque feedback
- Tapered attachments

### UHT Drill

Neuro

5400-110

- Fixed and steering duraguards
- Elite attachments

### CORE Console

5400-050

- Operates two handpieces simultaneously
- Integrated irrigation pump
- Intuitive color touch screen display
